At the Camp

Please pack everything your child needs for the day in a backpack. Your child should be familiar with their equipment and able to pack it themselves. If the weather permits, we will go swimming every day. Please ensure any wet clothes are dried in the evening. Remember to pack a towel!

In Conclusion

We are very much looking forward to this year's camp weeks. Every year, many children form lasting friendships here. It is always wonderful to see how the group dynamics develop. We aim to create the best environment for both the children and you as their parents.
